

CITY OF TUCUMCARI
RFP 2011-002
EMERGENCY AMBULANCE SERVICE

Responses to Inquiries

I understand that the RFP is for the City of Tucumcari but it also mentions parts of the county. What does the EMS service currently cover?

Response: The service area is approximately 936 square miles. Please see the attached map of the service area.

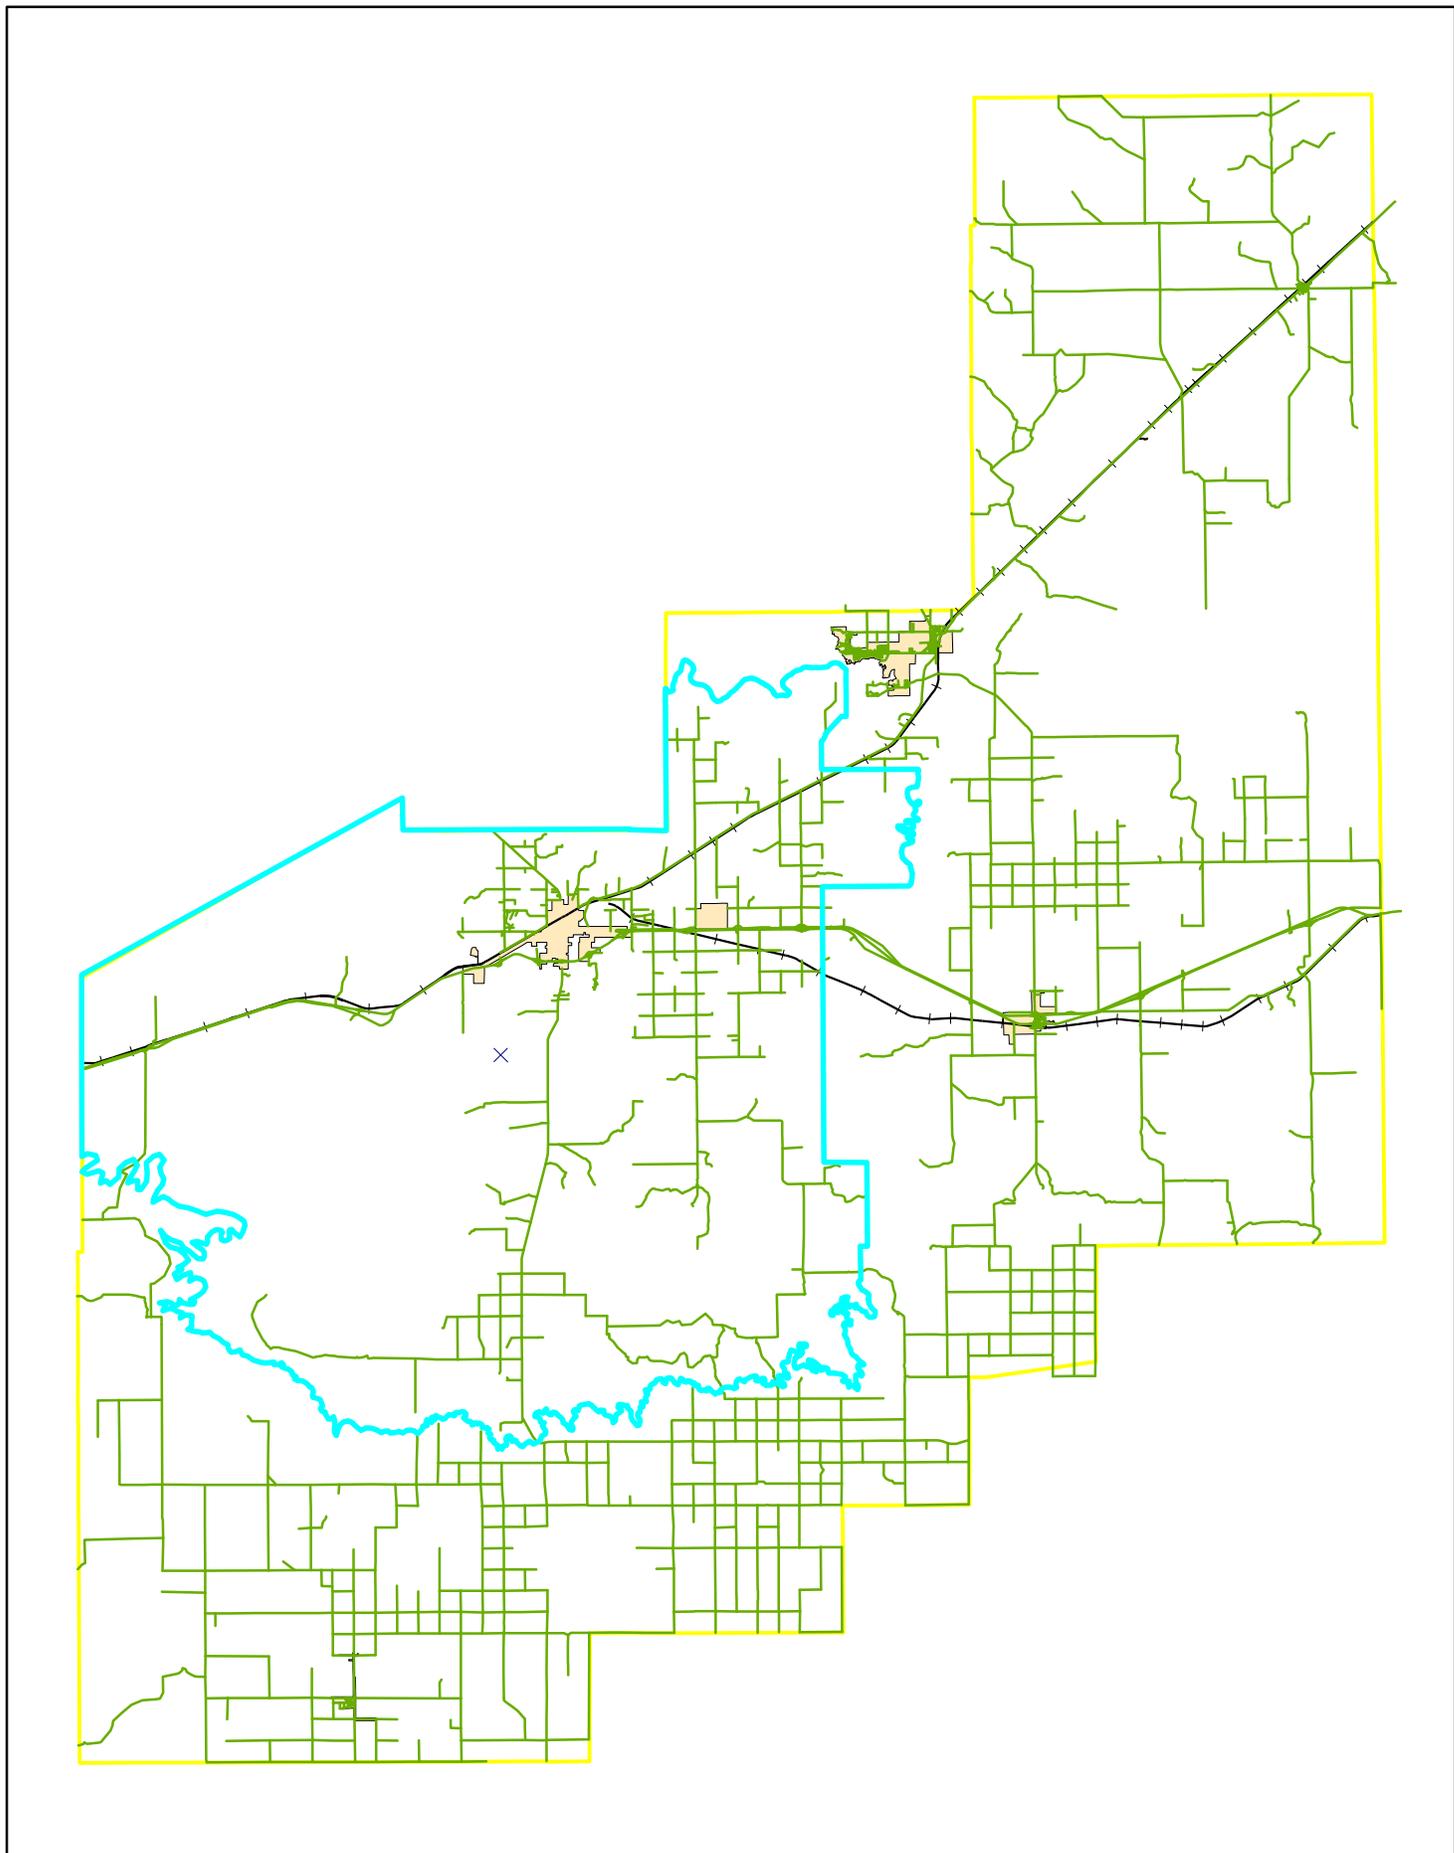

Is there a subsidy given to the current EMS provider and if so are you able to tell us what that is?

Response: The EMS service is currently operated by the City of Tucumcari. In the last three years, the average subsidy to the program has been \$138,612.

Is the current EMS provider willing to sell the ambulances and equipment?

Response: Yes. The City of Tucumcari will negotiate the sale of existing ambulances and equipment.
